

Start safe with affordable KaVo quality.

KaVo smart series

KaVo SMARTtorque

- **Price first.** – KaVo Standards at a modest price and with the flexibility of different couplings
- **Safety first.** – KaVo chucking system with up to 30 N chuck retention force and 4-port spray
- **My first KaVo.** – Enjoy KaVo quality by the use of hard ceramic ball bearings in standard and mini head versions

KaVo SMARTtorque
LUX S619 L

KaVo SMARTtorque
Mini LUX S615 L

KaVo SMARTtorque Turbines

KaVo SMARTtorque S619 L/C / S615 L Mini

- Light (L) and non-light (C) versions for MULTIflex couplings
- **Head versions: standard** (h: 14.5 mm) or **mini** (h: 12.3 mm)
- **Reliable 16 Watt power** (Mini: 13 Watt), for efficient and safe preparation
- **High safety**, with chuck retention force up to 30 N
- **4-port spray** (Mini: single spray), for optimum cooling effect
- Enhanced, **anti-reflux effect**
- New long-life, **ceramic bearings**

KaVo SMARTtorque S609 C / S605 C Mini

- **4-hole standard connection** (Midwest)
- **Head versions: standard** (h: 14.5 mm) or **mini** (h: 12.3 mm)
- **Reliable 16 Watt power** (Mini: 13 Watt), for efficient and safe preparation
- **High safety**, with chuck retention force up to 30 N
- **4-port spray** (Mini: single spray), for optimum cooling effect
- Enhanced, **anti-reflux effect**
- New long-life, **ceramic bearings**

KaVo SMARTtorque S608 C

- **2-hole standard connection** (Borden)
- **Head version: standard** (h: 14.5 mm)
- **Reliable 16 Watt power**, for efficient and safe preparation
- **High safety**, with chuck retention force up to 30 N
- **4-port spray**, for optimum cooling effect
- Enhanced **anti-reflux effect**
- New long-life, **ceramic bearings**

Particular SMARTtorque Features:

- **Low price** for entry into the KaVo world of dental excellence
- **12 months warranty**
- **High torque** and perfect cooling spray for rapid, efficient preparation
- **KaVo safety standards**, such as a chuck retention force up to 30N
- **KaVo Push-button chuck system**, for rapid bur changing
- **6 different models / price versions**

Made in Germany:

- **Proven quality**, that has made KaVo into the worldwide market leader
- **100 years of experience** goes into each product
- **High quality preparation**, such as one-piece handpiece casings

KaVo smart series

Item	Description	Mat. No.
S619 L	SMARTtorque (Light) with MULTIflex connection	1.008.1641
S619 C	SMARTtorque (non-light version) with MULTIflex connection	1.008.1642
S615 L Mini	SMARTtorque Mini (Light) with MULTIflex connection	1.008.1643
S609 C	SMARTtorque with Midwest-connection	1.008.1644
S605 C Mini	SMARTtorque Mini with Midwest-connection	1.008.1645
S608 C	SMARTtorque with Borden-connection	3.001.6560
MULTIflex 460 LED	MULTIflex LUX coupling 460 LED	1.007.3201
MULTIflex 460 LE	MULTIflex LUX coupling 460 LE	1.001.7599
MULTIflex 460 E	MULTIflex coupling 460 E (non-light version)	1.001.7600
