Durability and Detail

**DEXIS IXS™**  
**Digital Sensor**

# If you like your Gendex GXS-700, then you'll love **DEXIS IXS**

We want you and your team to be confident and comfortable with your new technology.

With our 60 Day Satisfaction Guarantee, we stand by you, and we stand behind the quality of our products.

For over 10 years, Gendex GXS-700 sensors were well received by clinicians across the globe for:

- Ease of Use
- Image Quality
- Open Software Integration
- Affordable Price

We surveyed Gendex customers\*\* and you asked for greater durability. Hence, why DEXIS IXS was born.

DEXIS IXS emerges with everything you know and love about Gendex, plus we've added more durability:

- **3x's more resistant** to damage or functional failure\*
- Handles **double the biteforce** without cosmetic damage\*
- The cable is able to withstand **22lbs of force** without functional failure and is designed to never need replacing\*

We've also added greater automation:

- Direct-download calibration files
- Automated software updates
- Proactive sensor health monitoring

DEXIS IXS is the next evolution of DEXIS sensors.
